

Monkton Prep School

Client: Monkton Prep School.

Site: Monkton Prep School, North Road, Combe Down, Bath, BA2 7ET.

Project: Design & construction of two artificial turf pitches.

Turf System: FIH Global Approved Product.

Project Value: £485,000

Contract Period: 15 Weeks

Key Facts

- FIH Tested.
- Nearly 5000m³ of weathered limestone was moved to create a level plateau on the hillside.
- 9000m² of artificial grass provides a top flight surface from grass roots to professional standard.
- Complete with 8 year synthetic turf and installation warranty.
- Currently maintained by Verde Recreo.
